## **Introduction**

Congratulations and welcome to the 5<sup>th</sup> Annual Sigma Chi Derby Days! This year, we have combined old favorites with new beauties to bring the best of what this event has to offer. This week is going to be one of your favorite and most exciting weeks of your college career so make the most of it and bring the energy. Let's get down and derby!

## **Mission**

The competitive aspect of Derby Days allows philanthropy to build community rapport and camaraderie. The brothers of the Sigma Chi Fraternity's mission for Derby Days is to raise money for those that are less-fortunate dealing with cancer-related illnesses. We seek to promote leadership through service, respect, and appreciation for the participants and beneficiaries alongside credit and distinction for our donors and supporters. Let the mission of Derby Days—serving the community—provide the foundation for each event and govern every action before, during, and following Derby Days.
