

## Lambda Eta Ledger

# News from Bryant University's Sigma Chi Chapter

### MESSAGE FROM THE CHAPTER

The Lambda Eta chapter of Sigma Chi had an amazing Spring semester at Bryant University. Thanks to our Recruitment Chair, Matt Santoro, we were able to extend 10 bids, all of which were accepted by the candidates. The new Alpha Zeta class was led by Magister Ben Regazzini along with his two Pro-Magisters, Ian Corne and Colin Cady. The initiation for the Alpha Zeta class took place on April 5th, led by Kustos Nick Haig.

This semester, we went all in for Derby Days. Thanks to the incredible leadership of our Derby Days Chair, Ryan Xie, we raised over \$176,000 for cancer research at the Huntsman Cancer Institute in Salt Lake City, Utah. Ryan and his team successfully rallied the Bryant University Greek life and student organizations to come together for a week of giving back to an incredible cause.

This year's theme, *Derby on the Dirt Road*, brought energy and excitement to campus. Throughout the week, teams raised funds by participating in events like trivia night, Chili's Night, Field Day, and our newest tradition—the FINS DJ night featuring RoseDrive. We wrapped up the week with our annual Alumni Golf Tournament at Blissful Meadows Golf Course, which had a fantastic turnout.

At the end of our derby days week, the brothers of Lambda Eta held a special rose ceremony for a founding member of the chapter Jed Haddad who recently lost his battle to cancer. Through this ceremony, current and alumni brothers of our chapter were able to pay tribute to Jed's legacy. All honor to his name.

As the Spring semester comes to a close, Lambda Eta will be saying farewell to seven incredible seniors and our amazing sweetheart, Lauren Poor. While we're sad to see Josh Bois, Minh Duong, Ryan Xie, Chris Figueroa, Nick Abely, Jack Hinckley, and Johnny Cadorette move on from Bryant, we're incredibly proud of them and excited to see all they accomplish beyond college.
